Dear East Greenwich Township School Community,

We are making the most of every moment that remains in the 2024-2025 school year. Our last few weeks have been filled with memory-making events and activities, and we plan to continue learning and having fun through our very last day of school! Please find some important information below.

## **Board Member Welcome**

We welcome Mrs. Cristin Bialick to our board of education. Mrs. Bialick was appointed to fill a board vacancy through the end of 2025. More information about our board of education, including meeting dates, can be found [here](#).

## **Congratulations!**

Our music ensembles recently competed at the 2025 High Notes Festival where their musical performances were scored and rated by distinguished musicians. Congratulations to our 6<sup>th</sup> Grade Band, 6<sup>th</sup> Grad Jazz Band and Hornet Harmony for earning ratings of "Superior". Congratulations to our 6<sup>th</sup> Grade Orchestra for earning a rating of "Excellent". We commend Mr. Gillespie, Mrs. Stewart and our students for their commitment and passion for music!

Congratulations to our SOAR students for their recent competition victories. 4<sup>th</sup> grade SOAR students won the Empowered Schools Competition. Their submission was selected from over 200 entries! The students' work with sustainable energy, tracking trash data, and completing several interactive missions led to this accomplishment. Our 5<sup>th</sup> grade SOAR students won the "Outstanding Model Award" for their architectural and design elements for a colony on Mars in the Cosmic Leap Foundation's Space Colony Competition. We commend Dr. Macaluso and our students for their innovative ideas and effort!

**Thank you to our students and staff for making us proud!** These achievements demonstrate the exceptional talent, creativity, and hard work that define our school community.

## **Preschool Expansion**

Our free, full day program continues to grow for the 2025-2026 school year. We received an expanded award of \$1,661,126 to fund eight classrooms for September.

In late March, we conducted a lottery to fill all available seats. Currently, we are accepting applications for the waitlist. If you would like to add your child to the waitlist, please click [here](#).

## **Special Education- Welcome Christina Battiato**

In mid-May, we welcomed Ms. Christina Battiato to the role of Director of Student Services. If you haven't had an opportunity to read Ms. Battiato's letter of introduction, please click [here](#).
